

# Ian Shaloom Mkanzi

I am passionate about exploring new technologies and staying up-to-date with the latest trends in the industry. I am always eager to learn about new software, hardware, and tools that can improve the efficiency and effectiveness of IT systems.

## PROFESSIONAL EXPERIENCES:

### IT EXPERT MAX VENTURES LTD

Jan 2020 – Aug 2021

Managed the organization's technology infrastructure, ensuring smooth operation of all IT systems. My responsibilities included designing, implementing and maintaining hardware and software systems components.

### DEVELOPER FUGITECHNOLOGIES LTD

Jan 2022 – Feb 2023

Developed and maintained .NET desktop application for small businesses such as wholesale stores and retail stores.

### FREELANCE SOFTWARE DEVELOPER

[Freelance Period: Almost 1 Years]

This year I have worked on multiple GitHub Repos of Flutter Application. Additionally, I developed short programs in GitHub to guide new programmers in learning Dart Programming language which is essential for Flutter Application Development.

## TECHNICAL SKILLS

- Flutter: Experienced in developing Android applications using Flutter framework, which enables cross-platform development with a single codebase.
- .NET Framework: Proficient in using .NET for desktop application development.
- Programming Languages: Strong command of Dart for Flutter development and C# for .NET development.
- Version Control: Able to work well with git and GitHub.

## OBJECTIVE

Dedicated and motivated software developer with a passion for creating innovative solutions. Seeking a challenging role in a technology-driven company where I can apply my expertise in software development, problem-solving, and teamwork to contribute to the development of cutting-edge software applications.

## EDUCATION BACKGROUND

SHIDUHA PRIMARY SCHOOL  
[K.C.P.E]

MOI FORCES ACADEMY  
[K.C.S.E]

KCA UNIVERSITY  
[Bachelor Of Science in Applied Computing]
